## TOM'S EVENTS — SOMERSET HOUSE — BY TOM AIKENS

Established in January 2011, Tom's Events at Somerset House is an exciting new addition to the London events market. Our team has a wealth of experience having worked in some of the capital's greatest historic buildings. We fully understand the importance of making each event unique down to the last detail and encourage you to play an active role in the planning stages to ensure the end product exceeds your expectations.

Our menus are traditionally British and written seasonally in order to incorporate the latest ingredients, trends and tastes. With all our products we endeavour

to source responsibly from the best local suppliers in the country. We believe food should be fresh, uncomplicated and contemporary. Our menus allow you to have the option of having a meal which is classically simple, or a bit more extravagant.

Tom Aikens is undisputedly one of the most exciting chefs in the UK. With his restaurants Tom Aikens, Tom's Kitchen Chelsea and now Tom's Kitchen Somerset House, he has gained a phenomenal critical acclaim, receiving a Michelin Star in 2004 for Tom Aikens. Not content with his restaurant empire, Tom has now created exciting menus for events at Somerset House.
