

Somerset House is a centre for contemporary culture, home to a thriving creative community. We combine our heritage with a commitment to pioneering artistic practice.

We are establishing the Somerset House Supporters' Court for those who would like to help us fulfil our artistic vision, preserve Somerset House and inspire the artists of the future and their audiences.

Somerset House Trust continues the reinvention of the site begun two decades ago with our dynamic cultural programme and the creation of the new Somerset House Studios. Providing much needed workspace for over 250 artists and makers across different disciplines, this creative flagship for London will mark Somerset House's arrival as a new kind of arts centre for the 21st century – a place where art is imagined, made and presented.

As an entirely self-funded charity receiving no regular public funding, your generosity will help us to:

- Preserve and renew one of the capital's most iconic historic buildings, welcoming 3 million visitors each year.
- Nurture artists of all ages, providing urgently needed studio space, bursaries and commissions.

– Present an innovative cultural programme and enable audiences to discover the people and ideas behind the creative process.

– Develop young people's creative skills through an expanded learning programme.

As a Somerset House Supporters' Court member you will play a vital role in helping to realise our creative ambitions.

We invite you to join for an annual donation of £500, £1000 or £2,500, as just one way in which you can make a difference to our work.
