CATERERS

BRYN WILLIAMS.

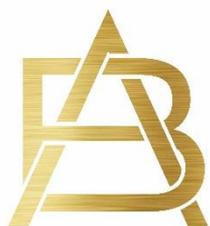

AT SOMERSET HOUSE

Bryn Williams Events being the newest addition to Somerset House offers modern British dining, serving seasonal dishes where – although not necessarily vegetarian – the fruit and vegetable components take centre stage.

Our dedicated events team will work alongside you, advising you on array of delicious dishes, paired drinks and styling to make your event a truly memorable occasion. Our belief is that food should be fresh, uncomplicated and contemporary and as such, our menus allow you to have the option of having a meal which is either deliciously simple or something a little more extravagant.

Bryn Williams comes from a strong chef pedigree working under the likes of Marco Pierre White and Michel Roux. Williams shot to fame as a sous chef in 2006 by beating several established chefs to cook the fish course for the Queen's 80th birthday celebrations on the BBC's Great British Menu

Please contact us on events@bryn-somerset-house.co.uk or call us on 0207 845 4651/4656.
